CHILD CARE HEALTH CONSULTANT TRAINING
www.lacchc.org/services

Dear Providers,

As our world has changed, so has the way we will provide trainings. For now, we will be offering virtual trainings. In order to participate in these trainings, you will need a smart device such as a computer, smartphone, or iPad (tablet) and a quality internet connection. **If you intend to use a smartphone or tablet, please download the zoom app.** In order to receive your certificate, you must register and login with your first and last name.

As we navigate the new way of doing things, we ask for your patience and understanding. The new registration process steps are outlined below:

1. Complete registration form (please ensure that your email address is printed or typed)
2. If slots are available, you will receive a link to register for the training. Once registered, you will receive a link to attend the training. You will also receive any handouts needed for the training.
3. The certificate will be e-mailed to each participant within two weeks.

Some things to remember:

- *Each participant must sign into their own device with the link they are sent after being registered. This is the only way we have a record of the name of the participant that goes on the certificate.
- *Please be willing to participate and engage in training. Non-participation will result in no certificate being issued.
- *Please have a quiet area designated, so that you can see and hear what the trainer is presenting.
- *If you are more than 10 minutes late logging in to the session, you will not be admitted.
- * Each person can only register for 6 clock hours per month.
- * Each center can register a maximum of 5 participants per session

Registration Form

Each person can only register for 6 clock hours per month.

Send the following information to registration@voagbr.org

Name:	Session #	Date
Center:	Session #	Date
Email address:	Session #	Date
Cell Phone Number:
