12:00 PM LUNCHEON

Volunteers of America Texas is a ministry of service dedicated to helping people in need rebuild their lives and reach their full potential. Through hundreds of human service programs, including housing and healthcare, we help more than 15, 000 people in more than 30 urban and rural communities statewide. For more than a century, we support and empower America's most vulnerable groups, including veterans, at-risk youth, homeless individuals and families as well as seniors and their caregivers. Volunteers of America is the proud title sponsor of the Volunteers of America Classic, an official LPGA tour event which takes place each year at Old American Golf Club in The Colony, TX.

As part of tournament week, Volunteers of America Texas will host **the second annual Women in Play luncheon**. The lunch will be held on Monday, June 28, 2021. With the Women in Play luncheon, VOA Texas works to celebrate women and their contributions to the worlds of business, family, community, and philanthropy. The organization also highlights the many ways our programs help and positively impact the lives of women and their families.

Proceeds benefit the women's re-entry programs of VOA Texas:

RESOLANA Resolana provides connections to resources and an intensive series of gender-specific classes to female offenders while they are still in custody in the Dallas County Jail as well as ongoing support once they are released.

MOTHERS AND INFANTS NURTURING TOGETHER (MINT) is a program for female offenders who come to the Federal Bureau of Prisons expecting to deliver a child. They enter the program at about seven months into their pregnancy and spend the next two months preparing for the birth of their child by attending classes and registering for public aid programs. After the birth of the baby they will spend the next three months building a bond with their child. When the client's time is complete in the program, the child will be placed with an approved guardian, usually a family member or close friend of the client, and then the client will return to the Federal Bureau of Prisons to complete her sentence.

125 YEARS STRONG

It all began in New York City, March 8, 1896. Since then, Volunteers of America has continue to serve those in need and today serves 1.5 million people annually.

On Monday, March 8, 2021, Volunteers of America Texas painted the town blue to celebrate VOA's 125th anniversary. VOA branding illuminated the Dallas skyline, once voted the world's best, the entire night on Reunion Tower, Bank of America Plaza, AT&T Discover District, and the Omni Dallas Hotel.
