EMERGENCY RELIEF

Thousands of Texans have relied on VOA Texas during a crisis.

Texas Winter Emergency

- More than \$1.3 Million awarded.
- Provided home repairs to nearly 100 low-income Dallas homeowners.
- Pallets of water distributed to communities in need.

COVID-19 Relief

- More than \$2 Million awarded.
- Provides housing and support to Plano residents who are homeless due to the pandemic.
- Vaccinations administered to hundreds of employees and vulnerable clients.

Hurricane Harvey

In 2017, Hurricane Harvey devastated southeast Texas. Sponsorships from our inaugural *Shoot 'Fore' a Second Chance Golf Tournament* allowed us to quickly open the first supply distribution site in north Houston. We provided water, cleaning supplies, soap, and other basic needs items to thousands of Houstonians in need. We were also provided funding to help residents repair their homes and fill them with new furniture.

Two years later, flood waters from tropical storm Imelda dealt a huge blow to the same area, forcing many residents to start over once again. VOA Texas continued to provide services to rebuild the community.

You make it possible for us to **urgently** respond during a crisis when you support our events.
