

EMPLOYEE SPOTLIGHT

"My coworkers in the Northern Kentucky office are an amazing group of ladies. Elizabeth Gabbard, Tonya Nicholas and Cora Stiles. Not only are they always eager to help me if I am having a problem at work or in my personal life, but they go above and beyond to help all of the staff in the NKY office and with the individuals we care for. There have been many days these ladies have taken time away from their families to take an individual to the hospital, or cover a shift for staff for one reason or another after working a full day at the office. I feel these ladies don't get enough recognition and they are true superheros of the NKY office."
