

*“If you’re ready, they are here to help!
This program changed my life.”
Chaly, program graduate*

Chaly is a graduate of the Family Recovery Program. With the resources provided by the program, and her hard work and determination, Chaly was reunited with her children, found an affordable apartment and now works for Volunteers of America.

OUR MISSION

To ensure that parents who enter Family Recovery Program become responsible caregivers with resources to provide safe, stable homes for their children through the collaborative services provided by our community.

WHAT WE DO

We are a voluntary program that works with families who struggle with substance use disorder and are involved in the child welfare system. The immediate goal is sobriety and the long term goal is family reunification.

BENEFITS OF PARTICIPATING

Faster family reunification

Better and faster access to treatment

Team approach to meet individual treatment needs

Improved parenting skills

Awareness of job and educational opportunities

ELIGIBILITY FOR FAMILY RECOVERY PROGRAM

Dependency case must be in Clay County.

At least one parent has substance use related issues.

The primary goal must be family reunification.

The parent (s) must agree to the terms of Family Recovery Court.
